Where the name of the copyright proprietor is omitted in the copyright data, the copyright proprietor is the person or organization under whose name the entry is listed. When the date of receipt of one copy is given it is preceded by the abbreviation "1c". Dates are given in the order of month, day, and year.

C. 11, 12) has been made. Section 56 of the Act of March 4, 1909 (17 U. S.
